### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The following is a statement of reasons for the indication of allowable subject matter: The instant application discloses a modulation/demodulation device. Prior art references show similar methods but fail to teach: **"at least one comparator for comparing the output from each operational amplifier with a reference signal and providing a respective state signal for each output, and an encoding circuit for encoding the state signals to determine a modulation type of the received signal"**, as in claims 17, 35, 51.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
